We are so excited to begin and welcome all of you!

We will be having loads of fun while we learn!

There are various levels in the class but do not worry as we shall be breaking into groups to work on our skills!

All of our activities and games will focus on the curriculum and Aleph Champ Hebrew reading program.

We will be learning Hebrew vocabulary during the class so you may see some highlighted words in the classroom!

We will send worksheets and ideas on how to incorporate the Aleph Bet (Hebrew alphabet) and we encourage you to continue the fun at home!

Looking forwards to a fantastic Hebrew Learning series!

Yours sincerely,

DISCUSS

THE HEBREW LETTERS ARE SPECIAL. EACH ONE HAS A DEEP AND IMPORTANT SANCTITY.

LEARNING THE ALEPH BET HAS AN EVERLASTING IMPRESSION ON ONE'S SOUL.

WHAT A WONDERFUL BLESSING TO BE ABLE TO LEARN AS A COMMUNITY!

AT HOME

HEBREW LEARNING SHOULD BE FUN! IT IS THE BUILDING BLOCK TO JEWISH KNOWLEDGE AND JEWISH EXPERIENCES. A FUN GAME FOR LITTLE ONES IS USING COLORED TAPE MAKING ZIGZAG LANES REACHING ALEPH BET FLASH CARDS. GIVE YOUR CHILD A TOY CAR OR TOY DOLL AND CALL OUT A HEBREW LETTER. HAVE YOUR CHILD FOLLOW THE LANE TO THE CORRECT LETTER. YOU CAN EVEN USE A TIMER TO INCREASE SPEED.

Aleph Champ!

Aleph Champ is based on Chabad Chassidic philosophy which follows the ancient, traditional method in which children were taught to read, as explained in the Kabbalistic teachings of the Zohar. A child's spiritual development mirrors the physical. Child development specialists speak of the importance of the order in which a child learns to walk. Beginning with lying, then rolling, crawling and finally walking and running, the order of these steps affects the development of the child. The same is true of spiritual development. The Aleph Bet are the spiritual building blocks of a Jewish child. Beginning with the letters and their traditional names, one at a time in the order that they appear, the vowels in their order, then building words, this order of study which has been practiced for thousands of years affects the spiritual development of the child and their internalization of the holiness of the Hebrew letters.

HEBREW VOCABULARY

Today our Hebrew vocabulary focused on our snack bar! Each child comes to "shop" at our snack bar and learns how to say the foods they wish to purchase!

After everyone has purchased a snack we say the correct blessing for each food!

Luach = Blackboard
Shulchan = Table
Ki- Se = Chair
Gezer = Carrot
Tapuach = Apple
Mayim = Water
Granola Bar = Granola Bar:)

Aleph Bet Hide & Seek
