

Exciting! Fun! Social!

THE ALEPH ART ROOM

Chana Scop, Co-director of Chabad of Mill Valley has created The Aleph Art Room. A Jewish educational art program taught in a fun interactive way that provides a hands on meaningful experience.

The Aleph Art Room provides social and engaging workshops that are the canvas for expression, feelings and connection.

HEBREW LEARNING WORKSHOP

A fun Hebrew reading program that will give your child the necessary tools to read Hebrew and feel confident about each Aleh Bet letter , their names and the vowels. Fun games and activities, songs and spirit!

ALEPH CHAMP COLORED READERS & MEDALLIONS

As each child progresses, they advance to the next Aleph Champ reader. The exciting moment of completing their color; they will receive the matching medal as a token of championship in their reader! The Aleph Champ adopted the color system used in karate--"white belt" to "black belt"--to motivate Hebrew reading and add that touch of excitement!
